I bought this about a year ago from an older man I go to church with.. it has some cosmetic damage but the engine and transmission are good. It's 5.4l v8 has 263000 miles.. the guy I bought it from said the odometer had been replaced and the original miles is 200000. I know it drives and runs well.. I've used it daily commute to work.. no problems pulling a trailer. It has a tool box, head ache rack and ladder leg, pro comp wheels, fairly new tires, new battery, and has been well maintained since I bought it.. I need gone ASAP, also I have no title. I had it but somehow it's been misplaced. Can get a title bond or a duplicate..I'm asking 1600\$ obo
